**Fantastic news for the Wensum Trust...**

**Announcement from Daniel Thrower:**

As you may well know, I was successful in being appointed as the **new CEO of the Trust with effect from 1 September 2019**. I am delighted and look forward to working with all the academies to build on the successes of the Trust, established by the vision and leadership of Gerry Batty. Throughout the interview process, I kept returning to two common values that I am passionate about and we must never lose. The first is that the children/pupils must always come first. The second is that we must all work together (children/pupils, parents/carers and staff) as a strong team. These values have always informed my practice as a teacher, a Headteacher and more recently as an Executive Headteacher and I believe, will continue to take the Wensum Trust forward in a positive direction.

I look forward to working alongside Gerry in the coming months before I take up post as the new CEO in September.

## HHS MUSICAL PERFORMANCE

It was a normal Wednesday morning, we were lining up for singing assembly but little did we know there was a surprise awaiting us. As we entered the hall we noticed there were year 10s waiting to give us the best assembly yet.

First there were two people playing the piano, next there was a girl singing a song from their musical 'Peter Pan' (**tickets are still available**). Next up was a girl singing and playing the piano, following that there was a duet. After that there was another girl singing. Guess what? It gets better yay! They saved the best till last, it was a band and they sang and played two songs. Sadly, that was the end of our super fantabulous HHS special assembly.
